- Walking paths along the banks of the Ohio River and its tributaries
- Beautiful murals and street art in Downtown Cincinnati and in many Cincinnati neighborhoods
- Historic architecture, such as Union Terminal, Music Hall, seven Carnegie library buildings, and much more
- Fascinating transportation options over the history of our city—steamboats, inclines, railways, streetcars, and more! Do you know what transportation used to be used in your neighborhood or how to find out? (Hint hint: try the Library!)
