# Timeline

- **April 2025** – Held Community Engagement session
- **April 2025 - February 2026** – Design with SHP Architecture
- **Begin Construction on New Site** – Mid 2026
- **Branch Opens** – Late 2026 - Early 2027

# New Branch Name

- At the October 2025 Board meeting, the trustees considered changing the name and asked that the Library seek community input and revisit the issue in early 2026
- At the subsequent zoning commission hearing, the necessary design variances were approved contingent upon the Library changing the name of the Branch.
- It was further communicated that the name should be the Cleves Branch Library
- We are evaluating the implication of the building design and the site layout without any variances. This would include eliminating the exit onto Cleves Aves, the drive-up book return, and reduce the number of parking spots.
- We would like to gather input on the possible name change.
